

Zahra Latif

(Frontend Developer)

Baku, Azerbaijan | +994107210217 | zahralatif2107@gmail.com | linkedin | github

PROFILE

The candidate is a highly motivated and aspiring Junior Frontend Developer with a solid foundation in HTML, CSS, and JavaScript. Despite having less than one year of experience, I possess an educational background and am committed to continuous skill enhancement. I eagerly anticipate the opportunity to apply and expand my skills while contributing to innovative projects that prioritize engaging and user-centric web experiences. Embracing new challenges in this dynamic field is something they look forward to.
